

MONAD PAD

Monad Pad is a token & NFT launchpad on the Monad blockchain, providing seamless access to presales and NFT trading. With user-friendly features and a commitment to transparency, it empowers users to engage in decentralized finance and digital ownership easily.

KEY FEATURES

LAUNCHPAD

Empowering creators to launch their projects and investors to discover high-potential opportunities.

MONAD UTILITY

Some of the utility tools that we'll be building for Monad Pad are; token locker, LP locker, token creator, and presale buy bot.

NFT COLLECTION

Purple Frens is a vibrant and exclusive NFT collection, with beautiful artwork and a lot of utility.

AIRDROP

Our airdrop aims to spread awareness about Monad Pad while rewarding early adopters of Monad.

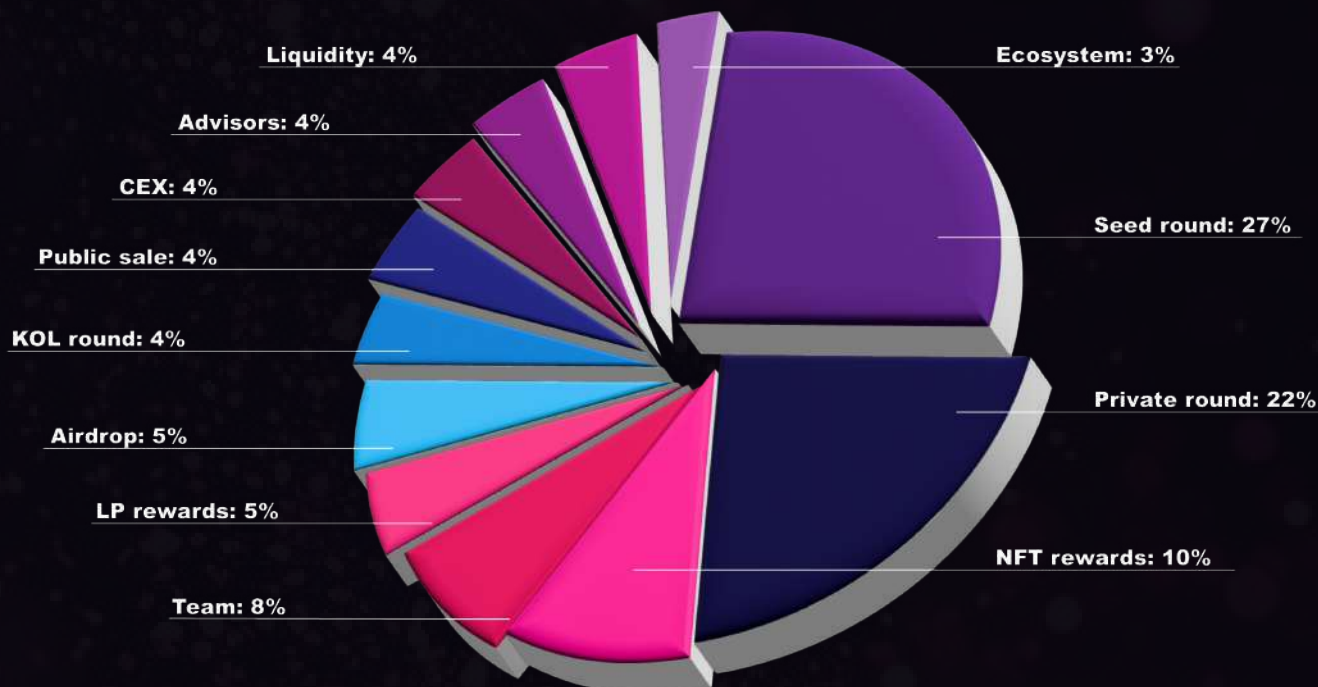

BURNS & BUYBACKS

Monad Pad ensures \$MPAD token value by using 10% of launchpad fees for buybacks and burns, making it deflationary.

REVENUE SHARE

At Monad Pad, 40% of all launchpad fees go directly to our token & NFT holders, sharing our success with the community.
